VILLAGE FRIENDLY REMINDERS

◆ **Taxation Bylaw 566-1**

Village Council has given Second and Third reading to the 2015 Taxation Bylaw which will establish the mill rate for 2015. Tax notices have been sent out and are payable on or before the end of August, 2015.

All over-due utility accounts (over 90 days) will be transferred to the property owner's tax roll account. The Village of Warner get the authority to do this from the Municipal Government Act section 553(1) (b) and from Bylaw 523-11. If the over-due utilities remain unpaid after August 31, 2015 then action will be taken by the Village which could result in shutting off the Village utilities.

◆ **Monthly Water Consumption:**

Village of Warner Council approved increasing the monthly metered amount from 22.73 cubic meters to 35 cubic meters for the months of June, July and August to assist residents in keeping their yards and trees watered during this hot/dry weather.

◆ **Bylaw Enforcement:**

The Village of Warner has created a new Bylaw Enforcement Complaint Form which can be used to make an official complaint to the Bylaw Officer and it also helps the Village to track complaints and provide information were necessary to all parties. The Bylaw Officer deals with complaints around dogs running at large, animal licencing, unsightly property, over weight vehicles and the RCMP deal with traffic complaints, loud parties, disturbing the peace etc. We have received complaints of disturbing the peace and loud parties after 11:00 pm and those complaints need to be directed to the RCMP please.

Please be very careful when using your fire pit or burning barrel in this dry weather, you should never leave them unattended while they are in use and please ensure your fire pit is put out before retiring for the evening.

◆ **STIRLING SETTLER DAYS - JULY 17TH & 18TH**

◆ **LIONS CLUB OF WARNER 4TH ANNUAL SHOW & SHINE SAT. JULY 25TH 9AM-4PM**

VILLAGE POINTS OF INTEREST:

- **THE NEXT VILLAGE COUNCIL MEETING JULY 16TH @ 5:30PM EVERYONE WELCOME! ALL VILLAGE COUNCIL MEETINGS ARE OPEN MEETINGS! DON'T BE AFRAID TO COME OUT AND ASK QUESTIONS! IF WE CANT ANSWER THEM ON THE SPOT WE WILL GET BACK TO YOU WITH THE CORRECT INFORMATION**
- **IF YOU HAVE GYM KEY FOBS PLEASE BRING THEM TO THE VILLAGE OFFICE. THANK YOU!**
- **DON'T FORGET THAT BURNING BARREL DAYS ARE FRIDAYS & SATURDAYS.**
- **YOU ARE ALLOWED TO BURN IN A FIRE PIT FOR PERSONAL USE ON YOUR PROPERTY AT ANY TIME. PLEASE MAKE SURE THAT THE WIND IS NOT BLOWING MORE THAN 11KM A HOUR! PLEASE RESPECT YOUR NEIGHBORS DEPENDING ON THE WAY THE WIND IS BLOWING. WHEN BURNING IN YOUR BARREL OR PIT!**

DEVILS COULEE

This place is underfunded again this year. Even closing the museum 2 days a week this summer, they will still have a considerable shortfall in paying wages. With budget cuts school tours are way down which brings in a considerable amount of their revenue. Donation letters are being mailed again. They are going to try having flea market sales this summer.

They will be revamping the museum and heritage park this summer.

New boxes and signage have been installed at the dig site. These will be able to stay at the site all year round, the old ones had to be removed every fall.

**Tri Community Thrift Shop St.
Pauls United Church Milk River**

Opening July 21

PRARIE ROSE LODGE BITS & PIECES

The summer always seems to be a bit slower for the residents of the Lodge. It is a time for relatives to visit and residents to be taken for outings. Of course, there will be action on the construction front as the old wings need to be updated and that will start when the new wing is complete. This project has been so blessed with the wonderful weather since last fall. On the other hand, this year has been the farmer/ ranchers worst nightmare. We have had 10 years of relatively good crops-there is nothing to this business of farming.

Put the seed in the ground, spray, swath, pick up the grain and haul to the elevator. Prices are great-life is good. Well folks, God and Mother Nature always have the last word. Every once in a while we need a rude awakening as we begin to take good fortune for granted. We must look elsewhere for our blessings this year.

On July 9th at 7 PM we are celebrating the birthdays of Gloria Stendall, Marg Collins and Mildred Thompson. The entertainment for the evening are Faye & Johnnie from Lethbridge.

The August birthdays of Marion Stickel, Bernard Blust, and Margaret Baron will be celebrated on August 13th. We will be entertained by the ever popular Don & Carol Hale from Warner. We are still serving cake & ice cream so please come out for an enjoyable evening.

Once again, the ladies auxiliary are selling raffle tickets-1st prize is \$300 and 2nd is a Norman Vornbrock birdhouse. The winners will be drawn at Bonanza Days on August 1st.

There also is a planned outing on July 9th to the Japanese Gardens in Lethbridge for the residents. This is a very interesting and enjoyable tour.

Hopefully I have reported all the events of the lodge. Time seems to be flying by and I am always under a deadline. A very good friend told me that life is like a roll of toilet paper -the closer you get to the end , the faster it goes. I believe she is right. Have a safe summer. God Bless- Emma Hulit

**WARNER ELKS & ROYAL
PURPLE**

On Friday May 22, 2015 with the Warner students and teachers along with some members of our Warner Elks and Royal Purple Elks lodges did a fund raising walk for children.

The money raised from this supports children with hearing and speech problems. We are also able to purchase specialized medical equipment, and special needs equipment such as wheelchairs, lifts, and much more.

On behalf of the Warner Elks and Warner Royal Purple Elks lodges, we want to thank Warner School students, teachers, parents, and all who came out to support this National Charity.

A great big thank you to all.

Hi.

My name is Richard Huff, my wife and I met 3 of your EMS people (from three different villages not sure other than Warner.) on AB-4 May 26th. Kim Owen, Tim Henline and Greg Douglas. We had laid our motorcycle down and these three were the first on the scene, Tim was on his way to Lethbridge in his feed truck (never goes to Lethbridge in it) then Greg and Kim stopped. The bike had flipped and landed on Carol across her back, she had stopped breathing and no pulse. Tim used the hay forks to lift the bike off Carol, we pulled her out, Kim, Greg and Tim started CPR and brought her back. These three volunteer FIRE/ EMS people thought out of the Box and saved Carols life. They are a great asset to your town and the whole area.

Our son is a Fire/Paramedic here in the U.S. and he told the three they did better than some full time fire stations as they thought out of the box and did not wait for rescue equipment to arrive. GREAT TRAINING for your personal. Please let you community know what great people you have protecting everyone.

Thank You.

JULY LIBRARY NEWS

Summer Reading Program begins July 8th, 2015 at 1:00pm in the basement of the library. The Program will run Wednesdays from 1pm to 3pm July 15, 22 and 29th. All children 4 and up welcome!

Volunteers still needed to help the small children with the cutting, gluing, games etc. and to assist with the cleanup. Any one 12 and up are welcome to help. Please stop by the library and leave your name.

****To Accommodate the Summer Reading Program in July and August the Library will NOT be open till 3:00pm. *****

GOLF NEWS AND INFORMATION:

June 23, 2015

RIVERSIDE GOLF COURSE, Milk River – Pro Shop – 403-647-2502

Restaurant – 780-849-0719 (Hugh McEvoy)

Mixed Monday Fun Golf Night has proven to be a huge hit with many repeat golfers showing up and also drop-ins for the Monday that fits their schedule best. All golfers, if you want to join in, all you need to do is show up on a Monday evening for 6:30 Tee Time. Thank you Agnes Dobrocane for organizing this great outing for the golfers.

Golf Tournaments – by the time this goes to print the RCMP Charity Golf tourney will have already happened. Hope Mother Nature was nice and June 27th was a sunny warm day for the golfers.

Sign-up Sheets are already posted at the Pro Shop for the next two Golf Tournaments, so stop in and sign up for the fun filled events.

TOURNAMENT DATES: Saturday – July 11 – Firemen’s Mixed Golf Tourney
Saturday/Sunday – July 18 & 19 – Men’s Burner Tourney
Sunday – August 2 – Bonanza Day Mixed Tourney
Wednesday – August 19 – Town of Milk River Mixed Tourney
Thursday – August 20 – Senior Mixed Texas Scramble Tourney
Saturday – September 12 – Ladies Open Tourney

Our golf course is in tiptop shape and is a pleasure to golf on. A big thank you goes out to all the volunteers that lend a helping hand whenever it is needed. Also thank you to Barry Magdalin and Robert (Bones) Vornbrock for all the work and hours they have put in to get the golf course to the shape it is in and maintain it looking great. The Pro Shop is open 7 days a week where you will find Norm ready to help the golfers in any way. Thank you Norm for the endless hours you put in, it is always great to see your smiling face and that cheery “good morning afternoon or evening” whichever the case may be.

Riverside Community Golf Society is presently selling tickets for a 50” Hisense Smart LED TV that will be drawn for on September 12th at the Ladies Tourney. Tickets are \$5.00 each and can be purchased at the Pro Shop, Golf Club Restaurant, Tees ‘N Jeans and from most Board Members.

Hope everyone is having a wonderful summer and that your golf game is always challenging in some way.

What’s the most difficult shot in golf?..... The next one.

Riverside Community Golf Society

72 hours: Is your family prepared?

How long can your family survive without outside assistance? If an emergency happens in your community, it may take emergency workers some time to reach you. You should be prepared to take care of yourself and your family for a minimum of 72 hours.

What kinds of risks do we face in Alberta?

Although the consequences of various disasters can be similar, knowing the risks around your home as well as your community and region can help you better prepare. Across Canada, we face a number of hazards, such as blizzards, tornadoes and wildfires. In addition to natural disasters, there are other types of hazards, such as power outages and industrial or transportation accidents.

In Alberta a tornado can strike quickly with significant damage. Wildfires can threaten communities and restrict movement. Heavy rains can cause significant overland flooding. We all need to prepare for all hazards.

Won't the government take care of my family?

In Alberta, while municipalities respond to local emergencies, it is vital to the community that you and your family are prepared to be on your own for the first 72 hours. It can take some time for emergency workers to reach you. Emergency services will first attend to those in need of lifesaving assistance. Even if you are not injured, you need to make sure you have the water, food and supplies you need to survive. By being prepared to support yourself and your family for the first 72 hours, you free up emergency workers to assist those who have been injured.

The Government of Alberta is also there to help. The Alberta Emergency Management Agency coordinates the efforts of the government to assist Alberta communities to mitigate, prepare, respond and recover from major emergencies and disasters.

Make a plan for your family

Every Alberta household needs an emergency plan. It will help you and your family know what to do in case of an emergency. Take 20 minutes to make your plan with your family and practice it regularly.

Your family may not be together when an emergency occurs. Plan how to meet or how to contact one another. Discuss what you would do in different situations.

Disasters often cause confusion and distress, so it is important to take the time now to know the hazards and the risks to better prepare yourself and your family.

Use the list below to check off hazards that exist in your community. This will help you make a more specific emergency plan for your family and home.

- Blackouts
- Proximity to dangerous goods route
- Earthquakes
- Floods
- Proximity to major industrial site
- Infectious disease outbreaks
- Severe weather
- Landslides or avalanches
- Tornadoes

- Wildfires
- Other: _____

For more information on hazards in Alberta, contact your municipality's Director of Emergency Management or the Alberta Emergency Management Agency at 780-422-9000 (Dial 310-0000 for toll-free access outside Edmonton) or visit www.aema.alberta.ca

Your family's emergency kits

All families should have two emergency kits: a ready-to-stay kit and a ready-to-go kit. These two kits will help you survive 72 hours, whether you stay in your home or need to evacuate.

Ready-to-stay kit

Your ready-to-stay kit should include the items you will need to stay safe at home for a few days. You can keep these things at home in a plastic tub or a special cabinet.

In an emergency, you will need some basic supplies. You may need to get by without power or tap water. Be prepared to be self-sufficient for at least 72 hours.

You may have some of the items already, such as food, water and a battery-operated or crank flashlight. The key is to make sure they are organized and easy to find. Ask yourself, would you be able to find your flashlight in the dark?

Basic emergency kit

- Water – at least two litres of drinking water per person per day; include small bottles that can be carried easily in case of an evacuation order
- Food that won't spoil, such as canned food, energy bars and dried foods (replace food and water once a year)
- Manual can opener
- Crank or battery-powered flashlight (and extra batteries)
- Crank or battery-powered radio (and extra batteries)
- First aid kit
- Extra keys to your car and house
- Some cash in smaller bills, such as \$10 bills and change for payphones
- A copy of your emergency plan and contact information
- If applicable, other items such as prescription medication, infant formula, equipment for people with disabilities, or food, water and medication for your pets or service animal (personalize according to your needs)

Recommended additional items

- Two additional litres of water per person per day for cooking and cleaning
- Candles and matches or lighter (place candles in sturdy containers and do not burn unattended)
- Change of clothing and footwear for each household member
- Sleeping bag or warm blanket for each household member
- Toiletries
- Hand sanitizer
- Utensils
- Garbage bags
- Toilet paper
- Household chlorine bleach or water purifying tablets
- Basic tools (hammer, pliers, wrench, screwdrivers, work gloves, dust mask, pocket knife)
- Small fuel operated stove and fuel (follow manufacturer's directions and store properly)
- A whistle (in case you need to attract attention)
- Duct tape (to tape up windows, doors, air vents, etc.)

Pre-packaged kits

Canadian Red Cross kits are available at www.redcross.ca. St. John Ambulance and Salvation Army emergency kits can be purchased at www.sja.ca or from retailers across Canada. Visit www.GetPrepared.ca or call 1 800 O-Canada (1-800-622-6232) for a listing of retailers by province and territory.

Ready-to-go kit

Keep ready-to-go kit items in a backpack, duffle bag or suitcase, in an easy-to-reach, accessible place, such as your front-hall closet. Make sure your kit is easy to carry and everyone in the household knows where it is. Take it with you if you have to leave your home so you can be safe.

Recommended items for ready-to-go kits

- Two (2) litres of water for each person
- Food that you don't have to keep cold and a manual can opener
- Plastic or paper plates, cups, and utensils
- Flashlight and extra batteries
- Radio with batteries
- A change of clothes
- A card with emergency contact information and the number of someone to call who lives out of town
- Pet food and supplies for at least three days
- Small first aid kit
- Personal identification card
- Personal hygiene items, soap and hand sanitizer
- Store medicine you usually take near your ready-to-go kit
- Cash in smaller currencies

It is also important to have an **Emergency Vehicle Kit**. The basic kit should include:

- Blanket
- Candle in a deep can and matches
- Extra clothing and shoes
- First aid kit with seatbelt cutter
- Flashlight (crank or battery-powered)
- Food that won't spoil (such as energy bars)
- List of contact numbers
- Radio (crank or battery-powered)
- Small shovel, scraper and snowbrush
- Warning light or road flares
- Water
- Whistle

Recommended additional items

- Antifreeze
- Windshield washer fluid
- Fire extinguisher
- Road maps
- Sand, salt or cat litter (non-clumping)
- Tow rope and jumper cables

For more information on hazards in Alberta, contact your municipality's Director of Emergency Management or the Alberta Emergency Management Agency at 780-422-9000 (Dial 310-0000 for toll-free access outside Edmonton) or visit www.aema.alberta.ca

ARENA CONCESSION TENDER

The Village of Warner requires an arena concession & bowling alley operator. This club, business or individual will operate from October of 2015 until April of 2016 (approximately). The proposal must contain proposed menu items with prices, monthly rent (payable at the beginning of the contract period by post-dated cheques), the name, address and telephone number of the applicant(s) and any other additional information the applicant wishes to include.

The details of the successful bid are as follows:

- Concession must be open during all games and tournaments
- Applicant will take full responsibility for booking, cleaning and administering the use of the bowling alley and proceeds of which will be paid to applicant
- The kitchen and table/serving area are the responsibility of the applicant and must be kept clean by applicant's staff – this is not the responsibility of arena staff
- The Kitchen is to be left at the end of the season in the condition it was in upon contract start – this will be discussed with arena operator prior to start of season

Submit tenders to:
