VILLAGE FRIENDLY REMINDERS

Village Paper shredding days:

Village council has hired Lethbridge Mobile Shredding to come to Warner on the first Friday of each month, the next shredding day will be **October 3rd, 2014** to assist residence in the safe and reliable way of disposing of old documents and important papers that you know longer need to keep. Locked boxes will be in the office entrance and you can just simply put your paper inside and Lethbridge Mobile Shredding will come and shred them on site. As long as there is demand we will continue to provide this service to the residence of Warner.

Dog Complaints:

Village council has heard many complaints of dogs running at large, becoming aggressive towards people and generally disrupting resident's walks and outdoor activities. The Village Bylaw Officer has been instructed by council to increase his activity within the Village; further any dogs observed running at large will be fined, NO more warning.

Also this letter was received by staff from several residents' expressing another issue with regards to animal care: As members of this community, we are appalled at the lack of respect Dog Owners have for their fellow community members. While walking around town there are many, many doggie dodo's laying around. Dogs have parasites that can be passed on to humans through the air.

Responsibility of Dog Owners will:

Control your dogs at all times, feed and water daily, proper exercise and of course clean up after your pets. Everyone in our community thanks you for cleaning up after your pets and maintaining control of them while they are off of your property.

Over Due Utility accounts:

Council passed a motion that utility accounts that are more than 6 months in arrears will be issued a warning letter with that if the arrears on their utility account are not paid in 2 weeks the water will be shut off to their residents and the service will not be turned back on until all the arrears and penalties are paid in full. Carried

Fortis Franchise Fee:

Council passed a motion not to enter into a franchise agreement with Fortis at this time. The agreement would have impacted local residences power bills as the franchise fee is similar to property tax as Fortis uses our municipal right of way to locate their power poles. Municipalities could charge up to 20% fee costing residents a hundred dollars a year or more in extra costs on their power bills. The Village of Warner is one of only a handful of municipalities across the province that does not have a franchise fee.

Please remember burning is only allowed on Friday and Saturday.

COUNCILLORS CORNER

Happy October to you all. Lets hope we have another beautiful month so we can accomplish all we wanted to do this fall.

Found something that you should read and take to heart.

Decline of the small town

By: Marge Calder

The men were quite cocky as they stood in the sun "Let's go to the city, stock up and have fun.

We'll buy by the case all under the roof. And save lots too, of that we have proof"

So they did just that for many a year and from the results never took any fear until one day they met once again standing up town just of the rain.

"What happened here cried one in dismay

Their faces were ashen, they had much to say

Then one scratched his head the other said loud

There's no beer and no coffee, not even a crowd;

My wife is real sick and right off her feet

Looked for some drugs, some milk, and some meat

Hospital is closed, the grocery stores too.

"What in the world are we going to do?"

"My furnace is shot and the plumbing all broken"

The other one gasped. I thought he was choking

"My car's a near wreck and my tires are low"

Need nails and lumber and there's no place to go

His friend had his head right down to his chest

"were to blame" he muttered

"on our heads it does rest"

"we passed this town for the glimmer of lights

Bought stuff by the carload and took in the sights

The city is bustling and bursting with pride

While all our merchants just up and died"

"the houses are empty, the bank's repossessed.

I'll tell you old boy, we're in for a test

"we should have been smarter and wiser," they said

"then the town would be busting, not half so dead"

"it's never too late, we've learned" someone did say

But for the foolishness of many they'd all have to pay.

They parted at last as the wind turned cold

And muttered, "buy locally, as this story is told."

PHONE A FRIEND—STAY SAFE

If you are a resident of Warner, and surrounding district, or Milk River, and are experiencing health problems, or just wish to have a caring person call you each and every day at a time of your choosing between the hours of 7:15 AM and 8:30 AM, we can and will do that!

What we require from you is:

- your name, phone number, your address, a contact person and their phone number.

- County residents - we need the civic address on the green sign at your roadway. This does not apply to village residents.

a time to be called and we'll do the rest!

What you can expect from us:

- A cheerful voice calling you each and every day of the year, holidays included

- Knowing that everything spoken in conversation remains confidential

A protocol is in place for action from your caller should you become ill or injured and be unable to answer your phone.

We are five volunteers who call on a weekly rotational basis. This service is free of charge and we call daily to ensure you are safe and well. Please call Lorraine at 1-403-380-3878 or Carol at 403.642.3694 for further information or to sign up for this service.

We'd also welcome you as a volunteer!

VOLUNTEERS NEEDED PLEASE!

If you are a person who relates well to people and have some time on your hands during the morning hours and would like to help, we'd sure love to talk to you. We are working on a five week rotation, a 7 or 8 week rotation would be ideal.

We have a terrific rapport with each other, as well as with our clients/calleges. What you will discover if you decide to become involved with this fabulous program is:

- Helping at risk residents to feel and be safe within their community.

- Feeling good about yourself, being a contributor

- Knowing that your own happy feelings are being transferred to another person.

- Keeping your confidentiality skills at a high level.

- We call each person on our list at a specified time, 7 days a week, 52 weeks a year, the rotation is now 1 week in 5, but we are trying to increase that rotation to 1 in 7 weeks, plus have a "fill in" person who could call when we need time off during rotation.

If this fits you please give us a call?

This is an entirely free service and is not a difficult job. If we are unable to find volunteers to assist us this program is in serious danger of collapsing. We really need to have 7 or 8 volunteers to continue, can YOU help us PLEASE?

YOUNG AT HEART CORNER

My goodness, how we enjoyed mingling with our neighbors from Milk River and Coumts at the Coumts Seniors get together on Thursday Sept. 17. The food was very plentiful and delicious and the hospitality was wonderful. Thank You so much, we enjoyed our evening out.

Summer seems to be on its last legs and Fall is starting to show its beautiful colors. The smell of harvest is in the air. If you were brought up on a farm, as I was, these smells of harvest bring back so many memories, ones of riding on the tractor or combine, or just heading out to the field to take a meal to my Dad, and sit on the end gate of the truck and enjoy a meal with him and his helpers. Or then again there was always work to be done, shoveling the grain into the auger or having to be in the bin

to shovel, the chores at the barn were always needing to be done while the men were out in the fields, and then again having to be herding the sheep in the unfenced fields. Oh how many memories these smells of fall bring to this young chick. (ha ha lol)

Thanks to our dedicated farmers for all their hard work keeping the food chain growing.

Our invited guests enjoyed an evening of food fun and laughter. Yes we invited our friends from Milk River and Coumts clubs to join us for our Pot Luck on Sept 25. Our hall was filled to capacity while we BBQ'd hamburgers and hot dogs salads and deserts accompanied the meal and everyone left feeling full and satisfied.

Thanks to all who participate. We do enjoy ourselves.

MILK RIVER HEALTH CENTRE

Once again the resident/family council of the Milk River Long Term Care Facility is holding its annual Silent Auction, just in time for Christmas shopping! If you wish to donate a new item for this event, please drop it off by November 14th with your name on it at the Therapeutic Recreation office in the Milk River Health Center (ask for Lindsay or Sherry). Or we can come pick it up (call 403-647-3500, ask for extension 2256). All proceeds of the silent auction goes directly to enhance the quality of life of our residents. Items will be ready for bidding by the evening of the 14th and we welcome all buyers to come and browse and bid! We thank you in advance for your generosity!

THANK YOU!

THANK YOU

A huge THANK YOU goes out to our local communities for participating, shopping and making the summer markets a GREAT first year. We had the most amazing and dedicated vendors, tons of smiling faces, a chance to meet and greet friends and neighbours, and had visitors from as far away as Alabama and California!! Thank you as well to Elm Spring Colony for making highway signs!! A big thank you to Joyce, Doug, Val, Eric, and company for helping to close up shop. It was kind of bittersweet..... Sorry to see the markets end, yet looking forward to another season on the ice.

The Warner Church will be starting a ClubDJ midweek program this October.

We will have an initial meeting and run through on October 2. The program is sponsored through Child Evangelism and is nondenominational. The program consists of Bible memory verses, Bible lessons, games, crafts. The children earn 'coins' throughout the year to redeem for prizes at the end of the year.

We will meet after school on Thursdays, from 4:00 to 5:30. We will adhere to times as closely as possible so the students (and parents) can get home to their supper.

There is a \$40 charge for the program. This provides for the student workbook, Bible (New King James Version), crafts and rewards.

ATTENTION WARNER CURLERS!!

HIGH WATER HAS BEEN A COMMON SIGHT IN ALBERTA IN THE LAST COUPLE OF YEARS BUT NOT IN A CURLING CLUB IN THE MIDDLE OF WINTER! THE WARNER CURLING RINK PLANT WAS ON ITS LAST LEGS AND WHEN THE WATER STARTED RISING UP OUR PANT LEGS DURING A BONSPIEL, WE KNEW THE LEGS HAD BROKEN! AS I'AM SURE YOU ARE ALL AWARE, THE COST TO REPLACE THE PLANT IS ABOUT AS HIGH AS THE WATER! UFA IS HOLDING THEIR "GET N' GIVE" CONTEST AGAIN THIS YEAR - YOU MAY HAVE HEARD OUR NEIGHBORING COMMUNITY OF FOREMOST WAS A RECIPIENT OF THIS IN THE PAST YEAR. THE PROGRAM AWARDS THE WINNING COMMUNITIES \$50,000 TO PUT TOWARDS COMPLETION OF A PROGECT THAT ENRICHES AND SUPPORTS THE COMMUNITY. I DON'T'T THINK WE CAN ARGUE ABOUT HOW MUCH THE CURLING RINK BRINGS THE COMMUNITY TOGETHER, BETWEEN THE BONSPIELS BRINGING PEOPLE FROM NEAR AND FAR, AND LEAGUE NIGHTS THAT GET ALL THE MEN AND WOMEN OUT FOR A FEW HOURS OF FUN! I MYSELF AM NOT AN ORIGINAL WARNER RESIDENT, AND WITHIN MY FIRST YEAR LIVING HERE I WAS RECRUITED TO CURL WITH THE LADIES, GOT THE PLEASURE OF GETTING TO KNOW EVERYONE, AND IMMEDIATELY FELT THE STRONG SENSE OF WELCOMING THAT OCCURS IN THE RINK!

PLEASE COME AND JOIN US ON OCTOBER 15, 2014 AT 7:00PM A THE CURLING RINK - WE WOULD LIKE TO GET EVERYONE TOGETHER TO BRINSTORM IDEAS FOR THE WARNER COMMUNITY "GET 'N' GIVE" ENTRY, WITH HOPES OF BEING PICKED TO RECEIVE ONE OF THE \$50,000 INVESTMENTS TOWARDS OUR COMMUNITY!

HOPE TO SEE YOU ALL THERE!

Warner Community Hockey Society

Warner Community Hockey Society is excited that the 2014-15 season of the Warner Hockey School is underway. We would like to welcome the 19 student athletes who are new to town or returning for another season. Warner Hockey School is entering its 12th year of operation and continuing to be one of the top destinations for elite female hockey players.

The Warner Community Hockey Society is a registered non-profit society board of volunteers that supports the Warner Hockey School program through fundraising to assist the program above and beyond the daily financial needs of the program. Thank you to everyone who came out and supported the Gala this past June. It was a very successful and enjoyable evening that brought in close to \$30,000 towards the Warner Hockey School Scholarship program.

The Warrior's will be playing many more home games this season as well as a home tournament in November. We are excited and look forward to seeing and cheering on the Warrior's at both their home and away games this year.

Come out and watch the team take on Red Deer College Saturday October 4th at 4:00pm and Sunday October 5th at 12:00pm at the Warner Civic Center.

The team then travels to Boston for their first JWHL tournament of the year October 10-12th. Two more home games vs. Sait will take place in Warner on Friday October 17th @ 4:00pm and Saturday November 18th at 10:00am. Rounding out October will be another home game vs. Cranbrook on Sunday October 26th @ 1:00pm. You can keep up to date on all Warner Hockey School happenings at www.warnerhockeyschool.com, and you may now follow the team on Facebook and Twitter (@WarnerWarriors).

See you at the rink!!

Devil's Coulee Cooperating Society Fall Newsletter 2014

Youth in Action Grant Approved!

"When Natasha and I won the Youth in Action grant, we were both very excited. This grant was given to us because the Community Foundation wanted to support youth aiding their communities. For me and Natasha, this was just what we needed for Devil's Coulee. I wasn't expecting to win the grant since there were so many other great ideas and youth deserving the award. When we got the grant for double the money, we were incredibly surprised and honored. It was certainly an amazing experience. This was used for the Night at the Museum Camps at Devil's Coulee."

-Holden Heppler

Night at the Museum Camps!

We had 33 children come and enjoy our first ever night at the museum camps. We had special guest Marj Cronkhite come and show us how to make homemade ice cream. **Yummy!**

We also had the privilege of having Vern McNeely with us for most of the two day camps. He taught the children how to make rope which they took home with them. Vern also brought his steam engines to the museum and showed the children how they ran. All the kids had a chance to play with at least one of the steam engines. Vern was the life of the party at the camp fires as he sang to us and played his guitar. Many of children/leaders now want Vern as their grandfather. Thank you to Marj and Vern for supporting our summer camps!!!

An email that we received!

"Lily and Timmy's Night At The Museum was certainly a pivotal point in their visit to Canada. The difference in their demeanor from before and after the two day overnight camp experience was outstanding. Going into the camp they were withdrawn and hesitant to use the minimal English they knew; after the camp they were more outgoing – even adventurous— even exposing their sense of humor. I'd say the experience was invaluable.

Thanks to all the staff, and everyone involved in allowing this camp to happen."

Sincerely, Chris Anderson

We would like to extend our appreciation to the County of Warner and their Crew for going beyond the call of duty for the museum. They constructed and installed the frame work for the sign at the museum. Great Job!

A short time ago, Lethbridge Community Foundation approved our grant application for new signage. With this grant we have been able to purchase two new signs: One outside of the museum and one attached under the Duty Free Billboard Sign on Highway 4 going south to Warner. Thanks to Mr. Robert S. Beagle.

We are so grateful to have both of these signs up as it has brought us more visitors into the museum. Many thanks to the Lethbridge Community Foundation for providing the funds to create these signs and to LA Neon Signs for doing such a great job of creating and building the signs.

Devil's Coulee is looking to change up its heritage displays. Our new theme will be *Toys, Tools and Treasures*.

Do you have any *Toys, Tools or Treasures* that you would like displayed in the museum?
